

Steps in the process of researching family origins

Who are we?

- Family organization
- 2400 member families in Denmark
- Our aim is to seccure the best conditions for adoptees and their families in Denmark

- The preparatory courses
- Phase 4: Mandatory PAS counselling for PAP's
- The special financial supplements for single parents
- Post Adoption Services:
 - PAS for adoptees
 - A permanent Post Adoption Service which is state funded.

Legal bases of research into the family origins process:

Danish legislation:
The Adoption Act.

Act on Public Access – the right to
access your own case file.

Confidentiality of information associated with adoption files.

The case file:

- The approval
- All the communication
- The child's history & Medical records

Collaborative work with international partners;
constraints and processes.

- When SoMe makes the world smaller
